## TOAST TO THE COAST

Introducing.... **TOAST TO THE COAST**, a new event showcasing some of the Eastern Bay of Plenty's most stunning coastal homes.

This inaugural event will feature 10 unique properties ranging from award-winning beachfront homes to hidden, bush-veiled gems. Participating homes and gardens have been chosen for their outstanding qualities. Interior designers and floral artists will work with homeowners and the event organisers to further enhance the experience.

So expect to be WOWED.... we promise to take you on a journey which will stimulate your senses and leave you with lasting memories of the fabulous homes on the Eastern Bay coast.

**TOAST TO THE COAST** will be a feel-good, fun-in-the-sun day out.... and it's all for a great cause. All proceeds will go to Hospice Eastern Bay of Plenty to help fund essential services for people coping with terminal illnesses.

Tickets are limited and they will sell out quickly. So order yours now, because this biennial event won't be repeated until 2012.

## What you need to know

- Please take care when stopping, driving and parking;
- **For safety reasons, NO CHILDREN will be admitted to the event venues;**
- Toilet facilities will be available at venues marked on the event location map;

Hospice EBOP provides quality palliative care services for people who are living with a life-limiting illness, and assistance for their families/whanau.

Our community-based care is provided mainly in the patient's own home, by registered nurses who are on call 24-hours a day, 7-days a week. We work closely with the patient's doctor and other health professionals to ensure our patients and family can cope with the stress and anxiety of terminal illness.

Hospice EBOP's services have been provided free of charge for the past 24 years. While we are partially Government-funded, we could not offer free services without the generous support of individuals, funding bodies and businesses in our small, but caring community. However, we cannot rely on grants and donations alone. We need to raise up to \$300,000 a year to meet our operational expenses.

The growing demand for Hospice EBOP's services has led to the recent purchase of a 100-year-old villa adjacent to our premises. It is our intention to integrate it with our existing facilities to further enhance the care Hospice provides to the community.
